

September 7, 2011

Dear CMCLS students and parents/guardians:

As the Principal of Central of Massachusetts Chinese Language School, I would like to welcome all of our new and returning students and families. As you probably know, CMCLS is a non-profit organization, and we are getting together because we want our kids and even ourselves to learn Chinese Language and Culture. All CMCLS teachers and the committee will do our best to help our students learn while having fun doing it in the coming year. I would like to remind you that the first day of school is on **Sunday, September 11th, 2011**. We will have a brief opening ceremony on the first day of school, starting on 2:00 pm. I will also go over the important rules, updates on the culture classes, and the exciting upcoming events.

Please remember to submit the registration form for your child/children on the first day of school if you have not done so. The classes will start at 2:30 pm through 4:00 pm. No culture class will be on the first day of school, but there will be a Chinese Painting Class demo from 4:00 pm to 5:00 pm, and it is open to everyone. We will open the Chinese Painting Class if there are more than three students enroll to this class.

There is an important and fun upcoming activity - **“Teacher Appreciation Event/Family Fund Day” on Sunday, September 25th at Hopkinton State Park**. Please mark it on your calendar. As part of tradition, this is a fun and relaxing time for CMCLS teachers, students and parent/guardians to get together, have pot lot and picnic, and play some games on the large grass field. The sign-up sheet will be posted and please make sure you check it out.

I would also like to introduce the CMCLS committee. All committee members are volunteers, as well as students’ parents. Our names are listed in the table below. Please feel free to contact any one of us if you have any question with specific topics.
